

BRIDGE

Bridge is a game, although it is competitive, it is still just a game - let's make sure we keep it fun!

Always be kind, courteous and supportive to both your partner and your opponents.

DO SAY

Thank you

Good bid

Good try

Nice game

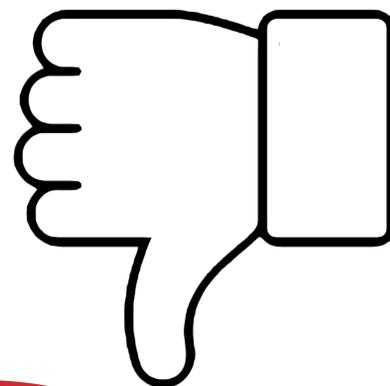

when they went down

Well done

Thanks for playing

when they made it

DON'T SAY

Why did you do that?

Why did you trump me?

You should've trumped their trick

That was a bad play

That was a stupid bid

You knew I had a spade

(or diamond or club or heart) If they KNEW it, they would have played differently
