

Learn Bridge in a Day? at Your School

A fun, beginner-friendly fundraiser for parents, grandparents, staff, and your school community.

Fundraising + family engagement + beginner bridge

Your students are already discovering bridge through Jump Start Bridge. Now invite the adults in your school community to experience the fun, teamwork, and connection too.

A Trusted Way to Introduce Bridge

This event is inspired by Learn Bridge in a Day?, an established beginner bridge model featured through American Contract Bridge League (ACBL) and North American Bridge Championships (NABC) programming.

It gives your school a friendly, proven starting point for helping adults learn the basics and enjoy the game.

What Is It?

A one-day beginner bridge event for parents, grandparents, teachers, staff, and community friends.

Participants learn the basics, play beginner-friendly hands, and enjoy a shared school-community experience while supporting your school or PTO.

Bridge Battle can give younger students a quick, easy first game before they move into full bridge.

Why Schools Love It

A fundraiser with learning, connection, and community built in.

Raises funds

Supports your school, PTO, or student activities.

Brings families together

Parents, grandparents, staff, and community friends share a positive school event.

Lets students shine

Students can serve as helpers, greeters, or bridge ambassadors.

Feels different

Strategy, teamwork, conversation, and school pride in one afternoon.

Perfect For

A fundraiser with a purpose: learning, connection, and school pride.

PTO fundraisers

Family nights

Enrichment showcases

Bridge celebrations

Game days
